July 23, 2019

**MEMORANDUM FOR ALL CONCERNED**

**FROM:** G. Anderson, Operations Lieutenant

**SUBJECT:** Possible Suicide Attempt

On July 23, 2019 at approx. 1:27 a.m., a call for assistance on the Special Housing Unit was announced by the Control Center. Upon my arrival I was informed that an inmate had attempted suicide and proceeded to cell, Z05-124LAD. I observed inmate Epstein, Jeffrey #76318-054 lying in the fetal position on the floor of his cell wearing a t-shirt and boxers. He was breathing heavily and was snoring. I called out to inmate Epstein and observed him flicker his eyes and continue snoring. His neck was red with no abrasions. I observed no further injuries to his person. An attempt was made to get the inmate to stand on his own with negative results. The inmate was placed in hand restraints and staff was directed to retrieve the stretcher. As inmate Epstein was being placed on the stretcher by responding staff, he would open his eyes and observe staff. When staff made eye contact with him, he would hurriedly shut his eyes. The inmate was taken to HA-Unit, dressed in the suicide smock and placed on suicide watch. While awaiting the arrival of an inmate companion, inmate Epstein sat on the edge of the bed and began moving forward as if he was attempting to fall over head first. When I looked away, he straightened up. As I turned to look at him again, he attempted the same act. I laid him down on the bed and directed him to cease his action or he would be placed in restraints for his safety. At that moment, he stated, "Okay, I won't do it again," and gave the thumbs up. Because of his unpredictable behavior, the decision was made to have a staff member observe inmate Epstein. I left HA-Unit in order to make staff notifications. Moments later, I spoke with Officer Clarke who stated that inmate Epstein was alert and had indicated that his cellmate, Tartaglione, Nicholas #78514-054 had attempted to kill him and had been harassing him. He stated that the inmate had indicated that he'd informed his attorney of this matter.

I photographed and spoke with inmate Tartaglione, Nicholas #78514-054 who stated that he was asleep with his headphones on when he felt something hit his legs and said, "Jeff, what you're doing?" He didn't answer, so he got up, turned on the light and saw him with a string around his neck. He stated that he then called the guards and

they ran down. Upon further questioning, inmate Tartaglione stated that he sleeps on the bottom bunk, but gave it to inmate Epstein because he's old. He stated that he sleeps on the floor on a mattress. He stated that when he got up, he couldn't remember if he sat up or stood up to check on Epstein. He stated that Epstein was sitting on the floor leaning to the side with his eyes opened, but wasn't responding. He stated that the last time he saw him he was snoring really loud.

Inmate Epstein stated that he came in from a legal visit at approx. 8:00PM and staff handed him a copy of the Daily News. "Nick" was on the floor reading the Daily News. He stated that he had given it to him. He stated that Tartaglione mentioned that he'd been in court all day in Westchester and was carrying on. At that point, inmate Tartaglione paused as if he was making the story up as he went along, and stated that Tartaglione stated, "These fucking niggers. This place is inhumane, I wish I could report it. Silva(Officer), that nigger hobbit mother fucker." He then turned to a page in the Daily News that had his picture on it and stated that Epstein was worth seventy seven million dollars. Epstein stated that he took his picture, balled it up and threw it in the garbage. I asked inmate Epstein what happened prior to staff's arrival. He stated that at approx. 1:00 AM, he'd gotten up to get a drink of water, as he gets up every thirty minutes. He remember walking back to his bunk and waking up with staff there in his cell. I asked if he'd waken up and seen staff, why didn't he respond when we were calling out to him? He stated that he only remembered hearing himself making a noise like snoring. When asked about the allegations against his cellmate, he stated that he was told, if he hurt him, staff wouldn't care.

Duty medical, Dr. Beaudouin was notified and briefed. It was determined no further medical attention was needed. A medical assessment was not conducted at the time of this incident, due to the fact, there was no medical staff available after 10:00 PM.

Upon the arrival of medical staff, inmate Epstein was examined and treated by, MLP Y. Joaquin for a circular line of erythema at the base of the neck, one section on the front with marks of friction and a small erythema on his left knee.

Tartaglione stated he does not have any issues being housed with Epstein however he does not want to be involved with any plots Epstein may have in mind in order to try to get released. As a result of a threat assessment being conducted a medical assessment was conducted on inmate Tartaglione and Tartaglione was not identified with any injuries. Based on the information received throughout the course of the investigation there is insufficient evidence to support Epstein was assaulted by Tartaglione. Additionally, based on the fact that during the interview with SIS staff Epstein indicated that he does not feel threatened by Tartaglione, and he has a new cell mate whom he get along with it cannot be determined that Epstein safety is in jeopardy at MCC New York.

**Recommendation:**

Based on the information received and the fact that Epstein, Jeffrey; Reg. No. 76318-054 indicated that he does not feel threatened by Tartaglione, Nicholas; Reg. No. 78514-054, there are no CIMS Assignment of Separations warranted at this time.

**MEMORANDUM FOR ALL CONCERNED**

**FROM:** G. Anderson, Operations Lieutenant

**SUBJECT:** Possible Suicide Attempt

On July 23, 2019 at approx. 1:27 a.m., a call for assistance on the Special Housing Unit was announced by the Control Center. Upon my arrival I was informed that an inmate had attempted suicide and proceeded to cell, Z05-124LAD. I observed inmate Epstein, Jeffrey #76318-054 lying in the fetal position on the floor of his cell wearing a t-shirt and boxers. He was breathing heavily and was snoring. I called out to inmate Epstein and observed him flicker his eyes and continue snoring. His neck was red with no abrasions. I observed no further injuries to his person. An attempt was made to get the inmate to stand on his own with negative results. The inmate was placed in hand restraints and staff was directed to retrieve the stretcher. As inmate Epstein was being placed on the stretcher by responding staff, he would open his eyes and observe staff. When staff made eye contact with him, he would hurriedly shut his eyes. The inmate was taken to HA-Unit, dressed in the suicide smock and placed on suicide watch. While awaiting the arrival of an inmate companion, inmate Epstein sat on the edge of the bed and began moving forward as if he was attempting to fall over head first. When I looked away, he straightened up. As I turned to look at him again, he attempted the same act. I laid him down on the bed and directed him to cease his action or he would be placed in restraints for his safety. At that moment, he stated, "Okay, I won't do it again," and gave the thumbs up. Because of his unpredictable behavior, the decision was made to have a staff member observe inmate Epstein. I left HA-Unit in order to make staff notifications. Moments later, I spoke with Officer Clarke who stated that inmate Epstein was alert and had indicated that his cellmate, Tartaglione, Nicholas #78514-054 had attempted to kill him and had been harassing him. He stated that the inmate had indicated that he'd informed his attorney of this matter.

I photographed and spoke with inmate Tartaglione, Nicholas #78514-054 who stated that he was asleep with his headphones on when he felt something hit his legs and said, "Jeff, what you're doing?" He didn't answer, so he got up, turned on the light and saw him with a string around his neck. He stated that he then called the guards and

they ran down. Upon further questioning, inmate Tartaglione stated that he sleeps on the bottom bunk, but gave it to inmate Epstein because he's old. He stated that he sleeps on the floor on a mattress. He stated that when he got up, he couldn't remember if he sat up or stood up to check on Epstein. He stated that Epstein was sitting on the floor leaning to the side with his eyes opened, but wasn't responding. He stated that the last time he saw him he was snoring really loud.

Inmate Epstein stated that he came in from a legal visit at approx. 8:00PM and staff handed him a copy of the Daily News. "Nick" was on the floor reading the Daily News. He stated that he had given it to him. He stated that Tartaglione mentioned that he'd been in court all day in Westchester and was carrying on. At that point, inmate Tartaglione paused as if he was making the story up as he went along, and stated that Tartaglione stated, "These fucking niggers. This place is inhumane, I wish I could report it. Silva(Officer), that nigger hobbit mother fucker." He then turned to a page in the Daily News that had his picture on it and stated that Epstein was worth seventy seven million dollars. Epstein stated that he took his picture, balled it up and threw it in the garbage. I asked inmate Epstein what happened prior to staff's arrival. He stated that at approx. 1:00 AM, he'd gotten up to get a drink of water, as he gets up every thirty minutes. He remember walking back to his bunk and waking up with staff there in his cell. I asked if he'd waken up and seen staff, why didn't he respond when we were calling out to him? He stated that he only remembered hearing himself making a noise like snoring. When asked about the allegations against his cellmate, he stated that he was told, if he hurt him, staff wouldn't care.

Duty medical, Dr. Beaudouin was notified and briefed. It was determined no further medical attention was needed. A medical assessment was not conducted at the time of this incident, due to the fact, there was no medical staff available after 10:00 PM.

Upon the arrival of medical staff, inmate Epstein was examined and treated by, MLP Y. Joaquin for a circular line of erythema at the base of the neck, one section on the front with marks of friction and a small erythema on his left knee.

**SUBJECT:** Epstein, Jeffrey I/M# 76318-054

At approximately 1:27AM, I responded to a radio transmission asking for staff assistance on 9 South (Special Housing Unit). Once I was granted access to said unit I made my way to the location (M Tier) in which the disturbance stemmed from. I was told by Officer W. Silva that Epstein, Jeffrey I/M# 76318-054 has attempted to hang himself. Upon arrival to cell number 124 in which he was housed, I noticed J. Epstein I/M# 76318-054 on the floor and Officer J. Masulo placing restraints on him. Officer D. Clarke, Lt. Anderson and I entered said cell attempting to assist in said process.

Now that I am inside of the cell I notice that J. Epstein I/M# 76318-054 was snoring on the floor of his cell, he appeared to be asleep. We made several verbal commands for him to wake up and attempted to get him to his feet but they were all unsuccessful. After said attempts Lt. Anderson asked for a stretcher to be retrieve to safely remove him out of his cell. Once the stretcher arrived, Officer D. Clarke, Officer J. Masulo and I lifted J. Epstein I/M# 76318-054 off the floor and placed him on the stretcher. Once we secured him safely on the stretcher, Officer D. Clarke and I lifted J. Epstein I/M# 76318-054 who is now on the stretcher safely out of 9 South (Special Housing Unit) and into the awaiting elevator.

# Memorandum

FEDERAL BUREAU OF PRISONS

Metropolitan Correctional Center

150 Park Row

New York, New York 10007

July 23, 2019

**MEMORANDUM FOR ALL CONCERNED**

**FROM:** G. Anderson, Operations Lieutenant

**SUBJECT:** Possible Suicide Attempt

On July 23, 2019 at approx. 1:27 a.m., a call for assistance on the Special Housing Unit was announced by the Control Center. Upon my arrival I was informed that an inmate had attempted suicide and proceeded to cell, Z05-124LAD. I observed inmate Epstein, Jeffrey #76318-054 lying in the fetal position on the floor of his cell wearing a t-shirt and boxers. He was breathing heavily and was snoring. I called out to inmate Epstein and observed him flicker his eyes and continue snoring. His neck was red with no abrasions. I observed no further injuries to his person. An attempt was made to get the inmate to stand on his own with negative results. The inmate was placed in hand restraints and staff was directed to retrieve the stretcher. As inmate Epstein was being placed on the stretcher by responding staff, he would open his eyes and observe staff. When staff made eye contact with him, he would hurriedly shut his eyes. The inmate was taken to HA-Unit, dressed in the suicide smock and placed on suicide watch. While awaiting the arrival of an inmate companion, inmate Epstein sat on the edge of the bed and began moving forward as if he was attempting to fall over head first. When I looked away, he straightened up. As I turned to look at him again, he attempted the same act. I laid him down on the bed and directed him to cease his action or he would be placed in restraints for his safety. At that moment, he stated, "Okay, I won't do it again," and gave the thumbs up. Because of his unpredictable behavior, the decision was made to have a staff member observe inmate Epstein. I left HA-Unit in order to make staff notifications. Moments later, I spoke with Officer Clarke who stated that inmate Epstein was alert and had indicated that his cellmate, Tartaglione, Nicholas #78514-054 had attempted to kill him and had been harassing him. He stated that the inmate had indicated that he'd informed his attorney of this matter.

I photographed and spoke with inmate Tartaglione, Nicholas #78514-054 who stated that he was asleep with his headphones on when he felt something hit his legs and said, "Jeff, what you're doing?" He didn't answer, so he got up, turned on the light and saw him with a string around his neck. He stated that he then called the guards and

COPY 7-23-19

COPY

they ran down. Upon further questioning, inmate Tartaglione stated that he sleeps on the bottom bunk, but gave it to inmate Epstein because he's old. He stated that he sleeps on the floor on a mattress. He stated that when he got up, he couldn't remember if he sat up or stood up to check on Epstein. He stated that Epstein was sitting on the floor leaning to the side with his eyes opened, but wasn't responding. He stated that the last time he saw him he was snoring really loud.

Inmate Epstein stated that he came in from a legal visit at approx. 8:00PM and staff handed him a copy of the Daily News. "Nick" was on the floor reading the Daily News. He stated that he had given it to him. He stated that Tartaglione mentioned that he'd been in court all day in Westchester and was carrying on. At that point, inmate Tartaglione paused as if he was making the story up as he went along, and stated that Tartaglione stated, "These fucking niggers. This place is inhumane, I wish I could report it. Silva(Officer), that nigger hobbit mother fucker." He then turned to a page in the Daily News that had his picture on it and stated that Epstein was worth seventy seven million dollars. Epstein stated that he took his picture, balled it up and threw it in the garbage. I asked inmate Epstein what happened prior to staff's arrival. He stated that at approx. 1:00 AM, he'd gotten up to get a drink of water, as he gets up every thirty minutes. He remember walking back to his bunk and waking up with staff there in his cell. I asked if he'd waken up and seen staff, why didn't he respond when we were calling out to him? He stated that he only remembered hearing himself making a noise like snoring. When asked about the allegations against his cellmate, he stated that he was told, if he hurt him, staff wouldn't care.

Duty medical, Dr. Beaudouin was notified and briefed. It was determined no further medical attention was needed. A medical assessment was not conducted at the time of this incident, due to the fact, there was no medical staff available after 10:00 PM.

Upon the arrival of medical staff, inmate Epstein was examined and treated by, MLP Y. Joaquin for a circular line of erythema at the base of the neck, one section on the front with marks of friction and a small erythema on his left knee.

While the 9-South officer was conducted rounds inmate Epstein, Jeffrey #76318-054 was found in his cell with a noose around his neck and appeared to be unresponsive. Moments afterwards, inmate Epstein became responsive. While observing inmate Epstein he sat up on the bed and began telling me that he think his Bunkie, Tartaglione, Nicholas #78514-054 tried to kill him. Inmate Epstein also stated that his Bunkie also tried to extort money from him and stated that if he didn't pay him that he would beat him up. He stated that this has been going on for a week. I asked inmate Epstein if he told staff about this and he told me no, that he'd only told his lawyer. He went on to say that his Bunkie told him that if he beat him up, because of his charges, the officers would not report it and because of this he was not comfortable telling the officers about the prolong threats and alleged attempts to extort him. I immediately reported this to the lieutenant.

On July 23, 2019 at approx. 1:27 a.m., a call for assistance on the Special Housing Unit was announced by the Control Center. Upon my arrival I was informed that an inmate had attempted suicide and proceeded to cell, Z05-124LAD. I observed inmate Epstein, Jeffrey #76318-054 lying in the fetal position on the floor of his cell wearing a t-shirt and boxers. He was breathing heavily and was snoring. I called out to inmate Epstein and observed him flicker his eyes and continue snoring. His neck was red with no abrasions. I observed no further injuries to his person. An attempt was made to get the inmate to stand on his own with negative results. The inmate was placed in hand restraints and staff was directed to retrieve the stretcher. As inmate Epstein was being placed on the stretcher by responding staff, he would open his eyes and observe staff. When staff made eye contact with him, he would hurriedly shut his eyes. The inmate was taken to HA-Unit, dressed in the suicide smock and placed on suicide watch.
Upon the arrival of medical staff, inmate Epstein was examined and treated by, MLP Y. Joaquin for a circular line of erythema at the base of the neck, one section on the front with marks of friction and a small erythema on his left knee.
